

Important Files We Need from You Within 4 Weeks So We Can Share Your Wisdom and Your Free Gift

An important part of your Courageous Hearts Marketing, Media and Publishing Package includes exposure of your wisdom and your free opt-in gift across multiple platforms, including the #AspireMag blog, Conscious Business Directory and private Bonus Gifts page.

It's important that all files are received by the due dates provided in order for the Inspired Living Publishing and Aspire Mag teams to do their part in getting your brand and message out to our collective audience. I ask that you take personal responsibility and submit all of your files on time so my team does not have to keep reaching out. ☺

Please take the time now to enter all of the due dates in your schedule. I recommend reading through it fully so you know if you need a graphic designer for the creation of the 270x125 banner. (We only accept professionally designed files.)

This list serves as an overview so you and your team can begin gathering and creating the necessary files. You will be receiving important reminder emails from Clientcare@Linda-Joy.com over the next few weeks.

>> A NOTE FOR PREVIOUSLY PUBLISHED ILP AUTHORS AND LINDA'S PRIVATE CLIENTS <<

You **DO NOT** have to submit the 270x125 banner **or** Free Gift Files *unless* you have a new gift you'd like to promote. We have your files on hand and have extended the exposure dates. If we see that an individual CH, CJ, GG, MT author or a private client has a file that is needed she will be contacted individually. **An updated link for your #AspireMag ARTICLE SUBMISSIONS:** Please use the [CRH Aspire Article Submission Form](#) instead of the previous book's article submission form.
